

Declaration of conformity no. DZn/01/2020

1. Producer:

CINKARNA Metallurgical and Chemical Industry Celje, INC. SI-3001 Celje, Kidriceva 26

2. Product name:

Drut cynkowy 99,99% Zn / Zinc Wire (endless, coils, spools)

3. Statistical identification number:

24.43.23.0 – zinc bars, rods, profiles and wires.

4. Application:

Anticorrosion protection – thermal spraying.

5. Technical specification:

PN-EN ISO 14919 „Thermal spraying. Wires, rods and cords for flame and arc spraying. Classification. Technical supply conditions.”

PN-EN 1179 „Zinc and zinc alloys. Primary zinc.”

6. Declared chemical composition:

Zn – 99,99%, **Pb** – max. 0,005%, **Cd** – max. 0,003%, **Cd+Pb** – max. 0,006%, **Sn** – max. 0,001%, **Fe** – max. 0,003%, **Cu** – max. 0,002%. Permissible content of impurities max. 0,010%

7. Name of research laboratory:

Main & Metallurgical Laboratories acting acc. to standards ISO 9001:2008, ISO 14001:2004, BS OHSAS 18001:2007 and certified by Slovenian Institute of Quality and Metrology (SIQ).

We declare that product described in points 2 and 3 fulfils technical requirements according to specification mentioned in point 5.
